

Knutsford Open Spaces Inventory

Introduction

An inventory of all significant green, open spaces in and around Knutsford has been compiled by the Environment and Open Spaces Group within the Neighbourhood Plan project. It was created to support the drafting of the Neighbourhood Plan; particularly for identifying local character features, areas of community value, Local Green Space candidates, areas of biodiversity value and green corridor nodes.

The Open Spaces Inventory contains:

- Sites in the Town that are available for public use either freely or through payment;
- Private sites in the Town that significantly enhance the character of the area in which they lie;
- Sites that lie just outside the Town and contribute to the Town's biodiversity.

The sites are categorised as follows:

| Category | Definition |
|---------------------|---|
| Allotments | Set out as garden allotments |
| Amenity Open Space | Open spaces provided to improve public amenity within residential areas |
| Cemetery | Open and closed burial grounds |
| Community Garden | Open space landscaped as a garden |
| Field | Open space bounded by hedges or fences |
| Nature Reserve | Designated as a site of biological importance or higher |
| Neighbourhood Green | Open space for unstructured recreation to serve a residential locality |
| Park | Open space for unstructured recreation for general population |
| Parkland | Open grassy land with scattered groups of trees |
| Play Area | Designed and equipped for recreation e.g. playground equipment |
| Pond | Open space with one or more ponds as its main feature |
| Private Garden | Garden attached to a private residence |
| School Field | Sports/recreation space connected to schools/colleges |
| Sports Facility | Open space for the practice of sports |
| Verge | Grassed roadside area (wider than 2 metres) |
| Woodland | Land covered with trees |

Knutsford Open Spaces Inventory

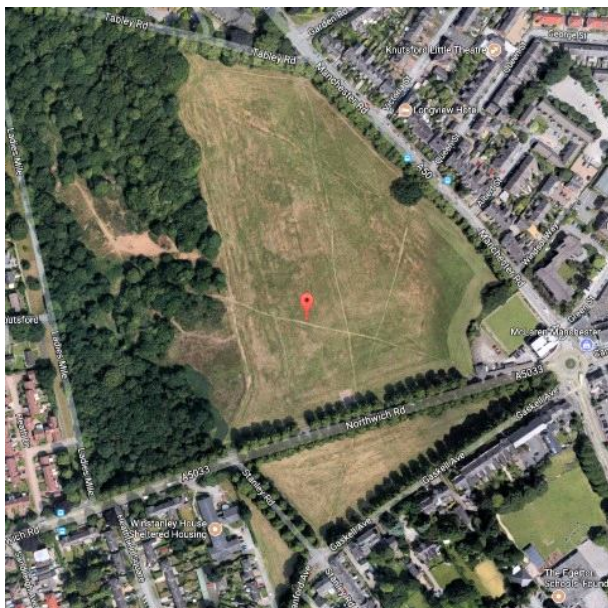

Number of sites: 130

21 September 2018

The sites are detailed in the following pages.

Site ID S-001

Site Name Knutsford Heath

Description

The whole site is split into four parts by roads:

1. Large Heath, between Manchester Road and Northwich Road
2. Small Heath, between Northwich Road and Gaskell Avenue
3. Mini Heath, between Stanley Road and Racefield Road
4. Verge along Ladies Mile

Each part is bound by mature Lime trees. It is an important part of Knutsford's character, providing picturesque views both across and within itself.

It has a long history including use in medieval times by freeholders, for billeting troops during the Civil War and WW2, for mineral extraction, as a racecourse from the 17th Century to 1875 and for holding 'Royal' May Day celebrations.

It provides a site for popular community events like 'Royal' May Day, car boot sales, fairs, circuses.

Everyday use includes dog walking, exercise, meeting and relaxing.

The Large Heath is partly a nature reserve, designated as a Local Wildlife Site for rare lowland heath and is maintained by Cheshire Wildlife Trust. It contains benches and information boards about its history and wildlife.

The Small Heath has a Band of Mercy water horse trough at one end. Views from it are interesting, especially of the Georgian buildings in Cranford Avenue, one of which was the home of the author Elizabeth Gaskell.

It was submitted for Local Green Space designation by Knutsford Conservation & Heritage Group in 2014.

Site Name Downs/Longridge Playing Fields

Description

Open, green, recreational, historic, playing field space serving Higher Downs, North Downs, Boothsfields and Longridge.

Used for general recreation and a football pitch with goalposts in evidence until recently. A second playing field allocation made beyond the original one in the Macclesfield Borough Local Plan 2004. Wide open space includes wooded area. Designated for playing field in MBC Local Plan 2004.

Woodland area borders Booths Mere. Part of green corridor from Booths Mere to St John's Wood.

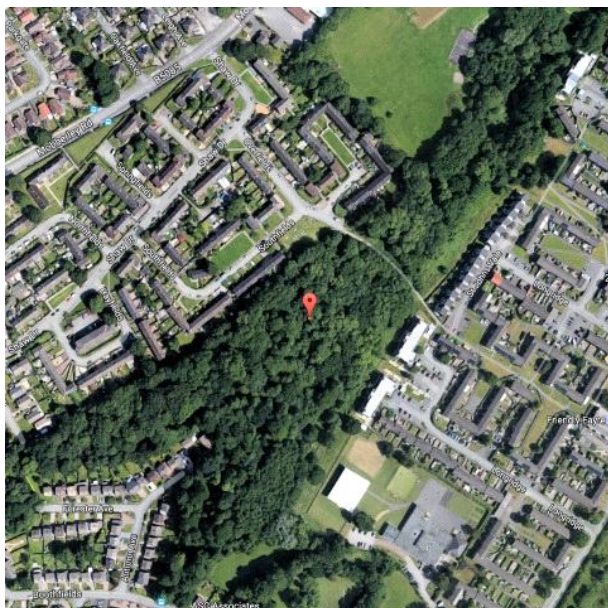

PRoW across site.

Historically part of the Booths Hall Estate where it was a route through to St Helena's Church for worship and burial.

Site Name Wallwood

Description

A peaceful triangle of woodland, between 2 roads, with planted bulbs and shrubs, and wildflowers. It is close to the Knutsford entrance to Tatton Park.

Provides soft visual end to urban area. Paths and seating have been improved and two trees planted recently.

Historically, it was opened for public use by Lord Egerton.

The seats are often used by office workers on lunch breaks and it is used as a short-cut by walkers and dog-walkers to Tatton Park and Town Centre.

Is a PRoW.

Forms an extension to the wildlife habitat of Tatton Park.

Knutsford Town Council is the sole trustee of Charity for Public Recreation and Exercise, formed in 1979.

Well protected as owned in trust for public recreation and exercise.

Site Name The Moor

Description

A popular park at the heart of Knutsford that is consistently awarded Green Flag status. It is well equipped for play and relaxation with picturesque views of the town's architecture and the natural Moor Pool (part of a larger SSSI), the latter providing an opportunity for viewing waterfowl.

It provides a pedestrian route across the town and provides a space for informal leisure activities, such as dog-walking, games and exercising as well as the venue for organised events, such as Playday, Rotary Club Jog, Annual RSPB Birdwatch, Lantern Parade and 10-yearly World Championship Penny-farthing Race.

The southern end is leased to the Scout Association and has a scout hut/building.

The River Lily flows from Sanctuary Moor in a culvert running along Moorside road to the Moor Pool. The Moor has always had problems with drainage.

The Moor has played an important part in the history of Knutsford. It was common land with shared grazing and mowing until it was purchased by Knutsford Urban District Council in 1907 from Lord Egerton for the purpose of recreational use. In the 1960s soil was tipped from the M6 road works to help raise the ground above the water table and create the layout we have today.

Being adjacent to Ramsar/SSSI site (Moor Pool and Tatton Park), it is part of a green corridor from Tatton Park through the Town.

Site ID S-007

Site Name The Barncroft

Description

Located behind St Cross Church and above the Aldi supermarket, the railway and the Moor. Its raised location affords dramatic views westward across the town.

It is connected by a footpath, under the railway, to the Moor.

Designated as open space for children & teenagers and playing field in the CEC 2012 Open Spaces audit. It contains football goals suitable for young children (under 9's)

Identified as important open space in the Conservation Area appraisal.

Popular space for informal activities including, children's football and dog walking. It contains several benches and a PROW. The lower part has been suggested for possible site for a skate park.

Has been used for Church Summer Fairs with the usual fun stalls and donkey rides. The history of church fetes goes back a long time.

Contains trees and brambles (behind the church). Its proximity to the railway connects it to the Moor and Tatton Park making part of the wider wildlife matrix.

Site Name Site of St Helena and Grounds

Description

Attractive site, scheduled ancient monument site, focus for visitors, community area, tranquil within church ruin.

It is of historical significance, containing the old parochial church, which is referred to as St Helena's in medieval records but later maps indicate it as 'ruins of St John's Church'. The church building has disappeared but a set of 17th century gravestones remain.

The site forms part of green corridor from Booths Mere to St John's Wood.

The open area is used for informal recreation, particularly children's play.

Description

These grounds were the garden of the Prison Governor's House (Grade 2 listed). Knutsford prison was demolished in the 1930s but the Governors House was transferred to the UDC in 1925. There are planted flowerbeds, trees and a metal sculpture of King Canute from a RHS show exhibit. The gardens, continuous with the Library Grounds (S-022), have lots of wildlife, especially squirrels.

Description

Mature trees, lawn and seating.

A church font is in the middle of the green; but this is the intended site of a memorial to Haron Baronian of Legh Road, killed in WW1, which is to be used as a war memorial for Knutsford. It will be erected in 2018 to mark 100 years since the Armistice.

Despite proximity to the A50, it is a tranquil spot with birds and squirrels. The path beside the Library frequently used by walkers as it links Booths Supermarket and car park with Toft Road and the Town centre.

Description

Large green. Possibly not been developed because 1) boggy ground, 2) high-voltage power lines overhead.

Softens the appearance of the housing estate and adds character.

Residents have requested recreation equipment (2015 Survey). But not really suitable for play equipment because it is boggy land and near the railway.

Trees and connection to the railway green corridor results in greater than normal diversity of wildlife, e.g. resident reported a recent (May 2017) sighting of a goshawk.

Valued by local residents as evidenced by feedback in the KTC OS Survey 2015 report.

This has no statutory or national planning status so LGS is required to offer a similar level of protection as before the plan.

It is recorded within the CEC playing pitch strategy 2017.

Land leased for football pitch, practice/junior area, car park and clubhouse. Additional playing pitch/playing field designated in Macclesfield Borough 2004. Club has two senior (adult) Cheshire League teams and offers youth team and development football for the local community in conjunction with Knutsford Academy plus free football coaching for young people in the Longridge area at the St Johns Wood School sports hall.

Club formed in 1888, originally playing on The Heath and Sugar Pit Lane but then transferred to this Manchester road site around 1932. Club volunteers win FA awards for Pitch and Groundsman of the year and a Knutsford Town civic award for services to youth football.

Description

The facility that we know as Egerton Youth Club exists due to the generosity of Lord Egerton, who bequeathed the site to a Charitable Trust. The purpose of the Trust is to “help and educate boys and girls through their leisure time activities so as to develop their physical, mental and spiritual capacity that they may grow to full maturity as individuals and members of society and that their conditions of life may be improved”.

Outdoor facilities are a 3G football pitch, grass football pitches including one for adult team league use. Football activity is managed by Egerton Football Club.

Indoor facilities are on two storeys and include a social area with café/ bar, changing rooms, sports hall, gym and meeting rooms.

Formal sports clubs are Egerton FC, Canute Basketball, Canute Badminton, Gymfinity Gymnastics.

In addition the club hosts many events throughout the year, including the Knutsford Beer Festival and the Tatton Yule Yomp, as well as birthday parties, meetings and fundraising events.

Site Name St John's Church Garden/Cemetery

Description

The Church of St John the Baptist dates from 1740 and was built on a sloping site, Tenders Field, where linen cloth was bleached by the action of sun and rain. The churchyard is now closed to burials, but is attractive and peaceful, with crocuses and daffodils providing a popular sight in spring, and a number of mature trees. Some gravestones have been moved to the side and others provide a path. There is seating leading to King Street.

The cemetery covers an area to the front and back of the church, a Grade 2* listed building, and contains a Grade 2 listed sundial.

Description

Extensive woodland, mostly outside of the parish boundary. Forms part of the wildlife-friendly matrix south of Knutsford and is important as a green corridor.

It is an important woodland in the area, though it is in need of a long-term management plan.

It is a designated Local Wildlife Site and was proposed to CEC to be designated as an LGS by South Knutsford Residents Group in 2014. See document:

"Proposal to strengthen the protection of woodland habitats in Windmill Wood, Knutsford, WA16 8RD on behalf of South Knutsford Residents Group, and Ollerton & Marthall and Plumley with Toft parish councils"

It has been subject to recent development proposal that was rejected as inappropriate.

Description

An attractive multidenominational cemetery, currently active. It is surrounded by railings and shrubs, with fields beyond, and has a central chapel. It is now well maintained - gravestones once laid down for safety reasons have now been re-erected.

Cemetery opened in 1902; the chapel is a listed building.

Hedges and mature trees support the local wildlife.

More land needs to be reserved because there will be insufficient burial space for the increase of 1,000 new homes. Cemetery nearly full.

Site Name Sanctuary Moor

Description

A wet woodland and the source of the River Lily which flows toward Tatton Park. The area is inaccessible due its dense vegetation and boggy ground, which enables wildlife to flourish undisturbed. It is a designated Local Wildlife Site.

It is historic because it was church land, enclosed by the Leghs and Leycesters and gifted to Church of England to build and maintain St John's in the 18C. Farmed until 1860s with a footpath through it into Knutsford still there in 1950s.

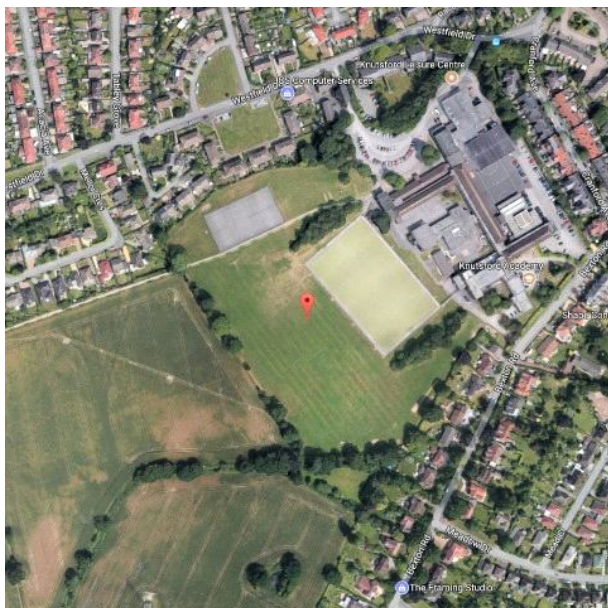

The northern section of water meadow had rare wild orchids and other flora when it was grazed.

It forms a bowl, providing an open vista, setting off the architecture of properties surrounding it.

The rising water level has become problematic for the neighbouring properties in recent years.

Description

Landsaped by Humphrey Repton, Tatton Park has many sections and green areas of interest with gardens (especially the Japanese Garden), deer park, meres, wooded areas, a "lost village", Roman road and site where Mesolithic/Neolithic flint tools were found.

Parkland Grade 2 listed, Mansion Grade 1 listed.

A SSSI and Ramsar site.

Many events are held in the parkland - RHS show, concerts, car shows, food and antiques fairs.

Despite its enormous popularity, and overflying planes from Manchester, it has an air of tranquillity.

Owned by National Trust but managed by Cheshire East Council.

Description

A 9-hole golf course, beside Tatton Park.

It was originally Lord Egerton of Tatton's personal course but was opened up to local people in 1891 and Knutsford Golf Club was formed. In 1911 the building, formally the Convalescent Home for Poor Sick Women, became the clubhouse.

When the last Lord Egerton died in 1958, the club members purchased the course and clubhouse.

It contributes to the wider wildlife-friendly landscape.

It is peaceful.

Site Name War Memorial Hospital Grounds

Description

The Cottage Hospital was conceived as a war memorial in 1919 and was built on 1922 on land provided by Major Leicester-Warren of Tabley.

The grounds are hedged, with a lawn in front of the hospital building and mature trees along three sides.

It provides an attractive feature at the entrance to Knutsford on Northwich Road.

The War Memorial Hospital has been sold for development. It is important that its visual appearance is protected so it continues to provide a green and natural feel to the area.
