JDH BUSINESS SERVICES LTD

The internal audit of Knutsford Town Council is carried out by undertaking the following tests as specified in the AGAR Annual Return for Local Councils in England:

- Checking that books of account have been properly kept throughout the year
- Checking a sample of payments to ensure that the Council's financial regulations have been met, payments are supported by invoices, expenditure is approved, and VAT is correctly accounted for
- Reviewing the Council's risk assessment and ensuring that adequate arrangements are in place to manage all identified risks
- Verifying that the annual precept request is the result of a proper budgetary process; that budget progress has been regularly monitored and that the council's reserves are appropriate
- Checking income records to ensure that the correct price has been charged, income has been received, recorded and promptly banked and VAT is correctly accounted for
- Reviewing petty cash records to ensure payments are supported by receipts, expenditure is approved and VAT is correctly accounted for
- Checking that salaries to employees have been paid in accordance with Council approvals and that PAYE and NI requirements have been properly applied
- Checking the accuracy of the asset and investments registers
- Testing the accuracy and timeliness of periodic and year-end bank account reconciliation(s)
- Year end testing on the accuracy and completeness of the financial statements

The interim internal audit provides evidence to support the annual internal audit conclusion in the AGAR Annual Return for local councils.

Conclusion

On the basis of the internal audit work carried out, which was limited to the tests indicated above, in our view the council's system of internal controls is in place, adequate for the purpose intended and effective, subject to the recommendations reported in the action plan overleaf.

As part of the internal audit work for the next financial year we will follow up all recommendations included in the action plan.

ACTION PLAN

REF	ISSUE	RECOMMENDATION	RFO RESPONSE
1	Sample testing of payments identified a duplicate payment entry in the ledger for reference CP21217 Microsoft Subscriptions for £663.60. The duplicate transaction was identified internally during the bank reconciliation process.	<i>The council should improve internal controls to ensure duplicate transactions are not posted to the ledger.</i>	Issue was a receipt being put into the 'to process' folder twice. Improved system to be implemented.
