

REPORT TO ENVIRONMENT AND GENERAL PURPOSES COMMITTEE
LONGRIDGE COMMUNITY GARDEN BENCH

Report Reference EN-22-05
Meeting Date 6th June 2022
Agenda Item 11
Prepared by Town Clerk

1.0 BACKGROUND

A resident contacted the former Town Mayor regarding work they had undertaken to renovate the community garden behind the shops on Longridge and seeking council support for the project. The project was led by volunteers from The Welcome and Hope Central with financial support from We Are Knutsford for soil and Knutsford Lions for planting.

The resident has requested the Town Council consider supporting the project by installing a new bench.

The cost of providing and installing a wooden bench would be approximately £650. This would be drawn from the street furniture budget under the environment projects cost centre.

2.0 DECISIONS REQUIRED

The committee should consider if it wishes to provide a bench for the community garden.
