

PLANNING AND LICENSING COMMITTEE - OUSTANDING MATTERS LOG

October 2023

Date Created	Minute Ref	Outstanding Action / Matter	Responsible	Notes	Target Date
03/10/2016	PL16/091	Council to create and disseminate a leaflet providing advice to occupiers within Conservation Areas.	Planning and Facilities Officer	On hold - will follow the re-appraisal of each Conservation Area	TBC
		Encroachment of Highway at Lane End, Legh Road	CEC Highways	<p>Originally logged as an enforcement issue. Advised that the hedge (which shields a fence) is not a breach of planning, but the fence will be if the hedge is removed. Hedge has been planted on highway verge.</p> <p>Visibility splays were measured but we have been advised the junction is of a similar nature to many other historic junctions across the borough so currently not much can be done.</p> <p>Cheshire East Ward Members have asked for further information from relevant officers and we are now awaiting a response.</p>	N/A
