ABOUT US

Knutsford Town Council was established in 1974 and is the most local level of government for the town of Knutsford. Our role in the community has grown considerably over the last decade and we have taken on new responsibilities and grown what we do to support the local community. Everything we do aims to make Knutsford a better place for everyone.

The Town Council is made up of 15 elected councillors and a team of officers led by the Town Clerk. We are accredited as a gold standard council in the national local council award scheme – one of only a handful in Cheshire.

In 2024, we went through a ‘corporate peer challenge’ where what we do and how we do it was scrutinised by a visiting team of sector experts. One of the things to come out of this was the need to match our capacity to our ambition and as part of this we are increasing our staffing level.

We deliver a diverse range of services for the community. We run Knutsford Market Hall and two allotment sites, we provide ‘platinum’ quality public toilets and own small open spaces such as Wallwood on King Street and Higher Town Green on Chelford Road. We run Knutsford Cemetery and the beautiful Grade II listed Tabley Hill chapel and we also own our Grade II listed Council Offices and the adjoining gardens and library grounds.

We run a programme of community events which include a two-day Christmas Market and lights switch on, Knutsford Music Festival and the Pumpkin Path, plus in 2025 we are adding some exciting new events to the programme. The council also operates the Taste Knutsford tours and supports local businesses and a strong town centre through our Town Centre Management service, which includes running our *Discover Knutsford* destination website.

Through the office of the Mayor of Knutsford we provide civic leadership and raise funds for local charities and good causes with an annual programme of fundraising events which include a charity ball.

Our Town Ranger is something of a local celebrity and tackles all the odd jobs that need doing to keep the town looking great and on top of all this we undertake numerous small projects to make Knutsford more special; from installing communicative blue plaques and floral displays to supporting community organisations and representing the Town with external partners.

This is just a snapshot of what we do (and our website has loads more detail about all this) but we are proud to call ourselves a proactive council where the councillors and officers work cohesively together to deliver for Knutsford.

OUR VALUES

In 2023 we adopted a new 10-year strategic plan to guide the work of the council. As part of this, we set out our organisational values which we expect all those working for us to demonstrate.

We work to make Knutsford a better place to live, work, visit and do business.

Our work will always aim to improve Knutsford for its residents, for those who visit the town, those who draw visitors to the town and the businesses on which we all depend.

We are committed to openness, transparency and strong democratic engagement.

The opportunity to elect Town Councillors every four years gives us our democratic mandate and we know that this can be strengthened by continuing to engage the wider community in our work and shaping our decisions.

We set out to be community leaders and serve as the voice of Knutsford.

We will always aim to keep a finger on the pulse of the town and understand the issues that affect our community. We will actively support the emergence of other leaders within the community and use our position to support them where appropriate.

We deliver high-quality services which represent value for money and efficient use of our share of council tax funds.

We will continually strive to maximise what we get for every pound we spend and aim to ensure that everything we do is looked on as being the best it can be.

We work collaboratively to strengthen the whole Knutsford community.

We recognise that working in partnership with others means we can both deliver more for Knutsford and also take advantage of the incredible skills and passion within the community.

We ensure our staff feel valued and empowered.

Our staff are our greatest asset and fundamental to our ability to deliver this plan and serve the community. We want to ensure we get the best from our staff, that they feel confident in their roles and are able to demonstrate initiative, leadership and espouse the other values of our organisation.

ABOUT THE ROLE

Our Administration and Support Officers are one of the first points of contact for visitors and members of the public, handling a range of enquiries and playing a vital role in conveying our ethos of a helpful and proactive council. This is a customer facing role where you will be an indispensable part of the council's service delivery from processing applications to our community grant scheme, coordinating Taste Knutsford tours and undertaking the day-to-day administration of Knutsford Cemetery.

You will undertake a broad range of routine administration, from managing databases, reporting maintenance issues, maintaining stationery stocks and processing invoices to handling routine correspondence. All the different aspects which help keep a busy office and a busy council running efficiently.

You will undertake the day-to-day administration for Knutsford Cemetery. This will involve dealing with recently bereaved members of the public, providing guidance on burial matters and processing various administrative tasks including transfers of burial rights and applications for memorial works. You will support the effective management of cemetery processes such as memorial inspections and at times have to enforce the rules of the cemetery with customers.

Your role will also be to help us get our message out to the community by maintaining the council's websites and social media accounts, including to proactively generate suitable content. You'll maintain the main town council website as well as our market hall and taste knutsford websites, ensuring they are kept up to date and respond to user's needs.

You will help coordinate bookings for funerals, weddings and other hires of the Tabley Hill Chapel and you will also coordinate bookings for meeting rooms at the Council Offices.

A WORD FROM JEANETTE

This vacancy has been created from the promotion of the incumbent, Jeanette Hine. Jeanette will be your line manager and has been doing this role for the last two years. Here's what she has to say about the job and what you'll be doing:

This role is a perfect opportunity to gain experience in a wide variety of areas related to business administration. No day has been quite the same and there have been plenty of opportunities to get involved in different community related activities. Some of the things I've been involved in include:

- supporting the running of council events; lots of fun and provides the opportunity to interact with the wider community supporting the Deputy Town Clerk with the "North West in Bloom" award
- having the opportunity to work on a public rights of way project, enabling me to engage directly with volunteers from the local community, along with devising surveys and writing press releases and social media content
- assisting and engaging with wedding clients to ensure all their needs are met while renting the Tabley Hill Chapel for their special day

I have had continuous professional development opportunities through the council through a range of courses, such as cemetery management and ILCA (introduction to local council administration).

The administration side of the role covers finance, planning, and cemetery administration, as well as any other administrative tasks at the council, including Taste Knutsford Tours, adding press releases, events and agendas to the website, social media, and other services that the council offers, such as the Knutsford voucher scheme.

The cemetery administration includes working closely with families to facilitate grave sales, coordinating with funeral directors for burials, and with masons for memorial services. This part of the role obviously requires compassion and sensitivity. The cemetery duties also include transfer of ownership, which can be equally fascinating and challenging at the same time.

You'll also have the opportunity to learn about the planning system, as you'll work closely with the Deputy Town Clerk in producing the planning agenda every 3 weeks.

The team support side of the role is very varied and will give you the opportunity to dabble in areas such as marketing, project support, planning/facilities administration support, and events! You definitely won't be bored in this role as it's incredibly multifaceted and busy, so it would suit someone who is a strong multitasker and enjoys a varied workload. The council is always introducing new initiatives, projects, and services, so you'll have the opportunity to work on many things that may take your interest.

The Administration and Support Officer is also the first point of contact for the council, so you'll provide reception duties and also meet and speak to members of the public on a daily basis. You'll need to have good customer service skills and be comfortable and confident enough to speak to a range of personalities!

Overall, it's a busy and varied role that gives you the opportunity to really expand your skill set and learn a plethora of new things!

WORKING FOR THE TOWN COUNCIL

We recognise that our biggest asset is our staff, and we are committed to getting the best from you by providing access to appropriate training and development throughout your employment with us.

You will work as part of a small supportive team in the Council Offices. The Town Clerk has an open-door policy and both welcomes and encourages anyone in his team coming to him at any point during the day for support and guidance. You will receive regular appraisal meetings which will be focused on employee development and problem solving.

We provide an Employee Assistance Programme to give our staff additional support. This provides you (and your partner and any children aged 16-24 in full time education living in your household) access to a 24-hour confidential support helpline for a range of issues including stress and anxiety, bereavement, financial wellbeing, consumer rights and relationship support. It also provides access to formal counselling which can include CBT.

As a thank you for your hard work the council provides a subsidised meal for staff at a local restaurant each Christmas and arranges an annual team building day to foster strong bonds within the office and wider council team.

The council operates a flexible working policy to ensure staff do not work more for more hours than they are paid; this allows staff (with agreement of their manager) to build a credit or debit balance of two working days to be carried over at the end of each month.

The council provides 33 days of annual leave (including bank/public holidays; pro-rata for part time employees) and operates a scheme to enable staff to buy/sell up to one week of annual leave each year. Annual leave entitlement increases by three days (pro-rata) after five years' service.

We will reimburse out of pocket costs (with advance manager approval) and mileage at 45p per mile when driving on council business and will also provide reimbursement for lunch/dinner when working at events away from the office.
