ABOUT US

Knutsford Town Council was established in 1974 and is the most local level of government for the town of Knutsford. Our role in the community has grown considerably over the last decade and we have taken on new responsibilities and grown what we do to support the local community. Everything we do aims to make Knutsford a better place for everyone.

The Town Council is made up of 15 elected councillors and a team of officers led by the Town Clerk. We are accredited as a gold standard council in the national local council award scheme – one of only a handful in Cheshire.

In 2024, we went through a ‘corporate peer challenge’ where what we do and how we do it was scrutinised by a visiting team of sector experts. One of the things to come out of this was the need to match our capacity to our ambition and as part of this we are increasing our staffing level.

We deliver a diverse range of services for the community. We run Knutsford Market Hall and two allotment sites, we provide ‘platinum’ quality public toilets and own small open spaces such as Wallwood on King Street and Higher Town Green on Chelford Road. We run Knutsford Cemetery and the beautiful Grade II listed Tabley Hill chapel and we also own our Grade II listed Council Offices and the adjoining gardens and library grounds.

We run a programme of community events which include a two-day Christmas Market and lights switch on, Knutsford Music Festival and the Pumpkin Path, plus in 2025 we are adding some exciting new events to the programme. The council also operates the Taste Knutsford tours and supports local businesses and a strong town centre through our Town Centre Management service, which includes running our *Discover Knutsford* destination website.

Through the office of the Mayor of Knutsford we provide civic leadership and raise funds for local charities and good causes with an annual programme of fundraising events which include a charity ball.

Our Town Ranger is something of a local celebrity and tackles all the odd jobs that need doing to keep the town looking great and on top of all this we undertake numerous small projects to make Knutsford more special; from installing communicative blue plaques and floral displays to supporting community organisations and representing the Town with external partners.

This is just a snapshot of what we do (and our website has loads more detail about all this) but we are proud to call ourselves a proactive council where the councillors and officers work cohesively together to deliver for Knutsford.

OUR VALUES

In 2023 we adopted a new 10-year strategic plan to guide the work of the council. As part of this, we set out our organisational values which we expect all those working for us to demonstrate.

We work to make Knutsford a better place to live, work, visit and do business.

Our work will always aim to improve Knutsford for its residents, for those who visit the town, those who draw visitors to the town and the businesses on which we all depend.

We are committed to openness, transparency and strong democratic engagement.

The opportunity to elect Town Councillors every four years gives us our democratic mandate and we know that this can be strengthened by continuing to engage the wider community in our work and shaping our decisions.

We set out to be community leaders and serve as the voice of Knutsford.

We will always aim to keep a finger on the pulse of the town and understand the issues that affect our community. We will actively support the emergence of other leaders within the community and use our position to support them where appropriate.

We deliver high-quality services which represent value for money and efficient use of our share of council tax funds.

We will continually strive to maximise what we get for every pound we spend and aim to ensure that everything we do is looked on as being the best it can be.

We work collaboratively to strengthen the whole Knutsford community.

We recognise that working in partnership with others means we can both deliver more for Knutsford and also take advantage of the incredible skills and passion within the community.

We ensure our staff feel valued and empowered.

Our staff are our greatest asset and fundamental to our ability to deliver this plan and serve the community. We want to ensure we get the best from our staff, that they feel confident in their roles and are able to demonstrate initiative, leadership and espouse the other values of our organisation.

ABOUT THE ROLE

This is a new role being created with the dual aims of improving how we communicate externally and supporting a strong community.

We want to improve how we communicate with residents and other stakeholders and as part of this our Communication and Engagement Officer will help us develop new ways of reaching people and build on those we already have. You would prepare a monthly e-newsletter to our residents to share council and community group news, prepare regular press releases and news articles and maintain the council's noticeboards and our main website and social media.

Our Communications and Engagement Officer will help facilitate public consultations and ongoing two-way engagement, from planning how best to reach target stakeholders through to analysing what we've been told and putting words into actions.

We are also keen to expand volunteering opportunities with the council, both to enable us to do more and also to provide meaningful opportunities for people to give back to their community. You will help develop these schemes and manage volunteer recruitment and retention. We plan to have schemes to run a volunteer-led library session, support events and undertake things like litter picks and tackling overgrown footpaths.

Our Communications and Engagement Officer will also provide support to the various community organisations in Knutsford. From providing advice on how to get set up, matching them with volunteers and directing/helping them secure grant funding to deliver projects for the community. You will also produce a monthly community e-newsletter targeted at those involved in such organisations, all with the aim of having a strong and diverse network of community groups.

In 2025 we will begin developing a Knutsford Youth Strategy which will help us, and partner organisations, ensure Knutsford better provides for young people. You will play a key role in helping to develop this, reaching young people and helping to plan action.

Everything you do will be supporting our strategic aims of leading a strong community and ensuring access to local services and facilities.

WORKING FOR THE TOWN COUNCIL

We recognise that our biggest asset is our staff, and we are committed to getting the best from you by providing access to appropriate training and development throughout your employment with us.

You will work as part of a small supportive team in the Council Offices. The Town Clerk has an open-door policy and both welcomes and encourages anyone in his team coming to him at any point during the day for support and guidance. You will receive regular appraisal meetings which will be focused on employee development and problem solving.

We provide an Employee Assistance Programme to give our staff additional support. This provides you (and your partner and any children aged 16-24 in full time education living in your household) access to a 24-hour confidential support helpline for a range of issues including stress and anxiety, bereavement, financial wellbeing, consumer rights and relationship support. It also provides access to formal counselling which can include CBT.

As a thank you for your hard work the council provides a subsidised meal for staff at a local restaurant each Christmas and arranges an annual team building day to foster strong bonds within the office and wider council team.

The council operates a flexible working policy to ensure staff do not work more for more hours than they are paid; this allows staff (with agreement of their manager) to build a credit or debit balance of two working days to be carried over at the end of each month.

The council provides 33 days of annual leave (including bank/public holidays; pro-rata for part time employees) and operates a scheme to enable staff to buy/sell up to one week of annual leave each year. Annual leave entitlement increases by three days (pro-rata) after five years' service.

We will reimburse out of pocket costs (with advance manager approval) and mileage at 45p per mile when driving on council business and will also provide reimbursement for lunch/dinner when working at events away from the office.
