PROJECT UPDATES

Project	Progress / Updates	Lead	Target Completion
Development of Events Volunteers Resources	We will be looking to develop our own team of volunteers for events to enhance the robustness of volunteer support in some areas.	Events Manager	14/09/2025
Exploration of Traffic Management Training	Following changes implemented by Cheshire East Council, we will be exploring team training on traffic management for key events.	Events Manager	30/11/2025
Security and Safety Improvements	All risk assessments are being reviewed and changes introduced to improve communication on event safety procedures. Formalised procedures are being introduced for lost children and alcohol sales, and the provision of SIA security at higher attendance events is being planned.	Events Manager	30/11/2025
