# Proposed King Street Enhancement Scheme

## *Your Town - Your Choice*

Come and take part in the 'Your Town - Your Choice' consultation on the proposals for the central section of King Street. The proposals have been updated after the first round of consultation in December 2014. We encourage all local residents and businesses to come and have your say. Our project team will be on hand to answer your questions and take your feedback.

It is important that you give us your views on the proposed design concept. Knutsford is **your town** and we want this scheme to be **your choice**.

***Please see the back of this leaflet for exhibition dates and details of how to have your say.***

## Scheme Objectives

- \* Enhance the vitality of the town centre and increase retail footfall.
- \* Support the visitor economy.
- \* Make the street more accessible for pedestrians and people with special mobility needs.
- \* Maintain as much on-street parking as possible.
- \* Maintain access for vehicles at all times.
- \* Conserve and enhance the historic character of the street.
