REPORT OF CLLR LESLEY DALZELL

CROSTOWN COMMUNITY ORCHARD

In September, the charity held a successful Bat Walk and Moth Trapping. This was supported by a grant from the Town Council which funded bat detectors and was a positive event for engagement with the community.

On October 29th the charity held a fundraising quiz at the Market Hall, which raised just over £500. The fundraising will go towards buying a new shed to store equipment as the charity has been successful in accumulating a range of supplies for its activity and events.

There is currently a vacancy for a trustee who will also fulfil the role of treasurer. The trustees are meeting with a nearby resident who has expressed interest in November.

The fruit from the trees went more gradually this year.

The 2026 Wassail will take place on Saturday 10th January.
